THANK YOU

In addition to our incredible Faculty & Staff, we extend our heartfelt gratitude to our amazing Faculty Assistants for their hard work, dedication, and spirit throughout the 2025 - 2026 dance season.

We would also like to extend a very special thank you to Bishop McDevitt High School for graciously allowing us to use their beautiful facilities for this year’s dance show.

To all of our backstage staff, volunteers, family members, and friends - thank you for the countless hours spent helping behind the scenes and for supporting our dancers throughout the season by bringing them to and from classes, rehearsals & performances.

Your love, encouragement, and dedication make everything we do possible.

To everyone who helped bring this show to life - on stage, off stage, and behind the scenes - THANK YOU for making Steppin’ Out ‘26 such a success!

We can’t wait to see you all again next year for Steppin’ Out ‘27!

Welcome everyone to *Steppin' Out '26* - the 36th Annual Dance Show of Tap 'n Arts Dance Studio! Tonight marks a very special milestone as we take the stage for the very first time at the Carmen Finestra Auditorium at Bishop McDevitt High School. We are honored to have you here as we celebrate another unforgettable year of dance, dedication, friendship, and dreams coming to life.

At Tap 'n Arts Dance Studio, dance is about so much more than learning steps and routines. It is about building confidence, creating friendships, inspiring creativity, and helping every student discover the joy of self-expression. From our tiniest dancers beginning at just 18 months old to our talented graduating seniors, every student who walks through our doors becomes part of our dance family.

This past year has been filled with incredible memories and achievements. Our dancers trained with professional choreographers from *So You Think You Can Dance* at Excel in Motion, performed in Harrisburg's Holiday Parade, and continued growing not only as dancers, but as confident young people. Their hard work and passion shine brightly on stage tonight, and we could not be prouder.

This evening is also especially meaningful as we celebrate eight extraordinary graduating seniors: Juliana Bianchi, Breanna Buffington, Sara Gaiski, Olivia Gatling, Nora Greene, Mia Haverl, Kiale Rose Wetherbee, and Addison Zimmerman. Your leadership, kindness, and love for dance have left a lasting mark on our studio and in our hearts. No matter where life takes you, you will always have a home at Tap 'n Arts Dance Studio.

To all of our parents, grandparents, family members, and friends - thank you for your endless love and support. Thank you for every ride to class, every costume change, every encouraging word, and every moment spent cheering from the audience. Your dedication makes all of this possible.

We would also like to extend our heartfelt gratitude to Bishop McDevitt High School for welcoming us into their facility for this year's dance show.

Whether this is your first dance show or your thirty-sixth, we hope tonight fills your heart with excitement, inspiration, and joy. We proudly offer classes for dancers ages 18 months through adult in a fun, encouraging, family-centered environment where every student has the opportunity to shine.

As the curtain rises, may we celebrate the magic of dance together - the music, the memories, the friendships, and the moments that stay with us forever. May God's blessings be with all of our students, families, and friends tonight and always.

Now let's dance like no one is watching, sing like no one is listening, love with all our hearts, and live each day with joy and gratitude.

Keep on Dancin',
Kristin Foltz Petrou
